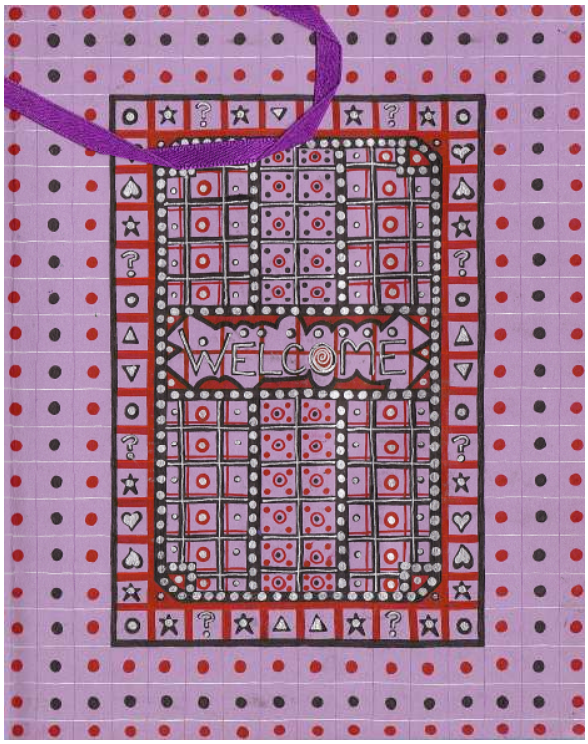
THE ELLSWORTHIAN PROLOGOS

{Introseduction}

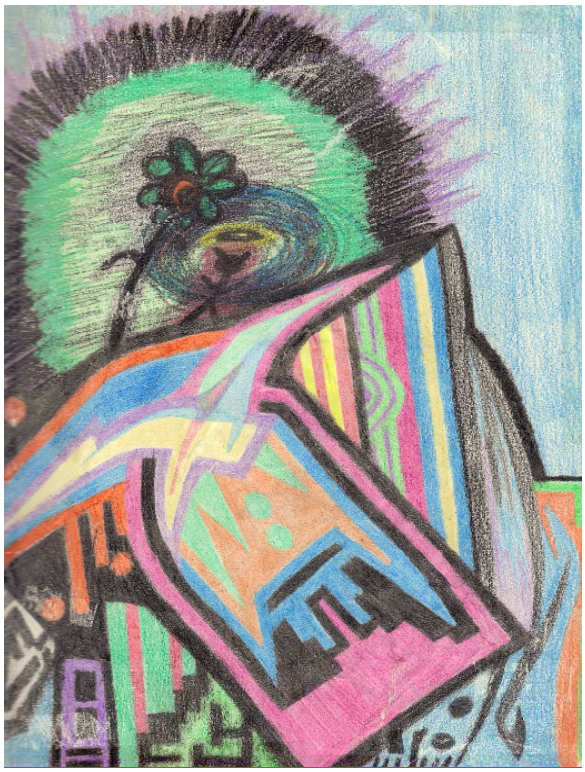
Welcome to Ellsworthia!!!

Welcome to the 9th Dimension!!!



Welcome to MY Bandwidth & Frequency!!!

{Field of Energy}



{Ellsworthia aka Eltopia aka Elopolis aka Elcity/ Elcountry/ Eltown: Toponym aka Technical Names of The Dimensional World of **TES}**.

Verily, verily, this Bible is a Living, Radiating, Vibrating, Energetically Encoded Entity & its Corpus **{**Body**}** is **MY** Archetype **{**Arkhe Tupos**}**, Egregore **{**Egrigors**}**, Elemental, Familiar, Fetch, Gestalt, Godform, Golem, Homunculi, Meme, Servitor, Thoughtdroid, **Etc**. The Chapters herein are Quanta, the Paragraphs are Quarks, the Sentences are Molecules, & the Words that Designate & Formulate these Sentences are Atoms **{**❁**}**/ Subatomic Particles - Electrons/ Magnetrons, Gravitons, Neutrons/ Protons, Photons, **Etc**. This **Ellsworthian Alchemical Textual Amalgam** is **MY** Magickal, Mystical & Momentous Testamentum **{**Testament**}** of **TES Ars {**Art**} & Astus {**Craft**}**. **MY** Magickal Merakian Metamystical & Metaspiritual Intertextual Writing **{**Litcraft & Lexcraft**}** is meant to bring forth, Shape & Sustain **THINE** Purely Primal True Spiritus Forma **{**Spiritform & Soul Mould**}**. This is an **Ellsworthian QQQ: Quarrelsome Quixotic Quantascript** & this is **Transmetaparaquasiquantum Exotextualization** aka **EHSE: Ellsworthian Hypnogogic Somnambulistic Expressivism**.

The Attentive & Observant reader **MUST** Ascertain/ Maintain Acute Agile Concentration/ Focus **ALL** throughout this Journalistic Journey of a Post-Spiritual Ascension & Awakening in order to Accomplish, Achieve, Direct & Release **THINE** Kia Kratia **{**Soul Power**}**. This is **The Vital Golden-Silver Credo/ Law/ Rule/ Rubrical/ Principle of TES** & the Core Nature of this vast Undertaking to Articulate, Captivate, & Encapsulate **MY Ellsworthian Quantum Metavision/s**. This is **The TES EMO: The Ellsworthian Maxima Opus**. The Key Element To Unlocking & Unleashing the Full Potential of this Engaged Read relies upon **THINE** Intellectually Intuitive True Self or Suprasel**f**. **YE** Spirit/ Superconsciousness **{**The Tribrid/ Triself/ Trinitus **I**/ The Egocentric Triune**}**. Directly, **I** mean that little Fragment/ Particle of **GOD** within **US ALL**.

NOTE: When **YE** Apply **THINE** Attention to any Mediaform such as Books, Films/ Tv, Songs, Images, Memes, **Etc.**, **YE** become Hypnotized by **THEE**. Therefore, in Reading **MY** Bible **YE** are accepting Invisible terms to Hypnotically Engage in a Linking & Syncing of **THINE** Frequency, & the Bandwidth/ Channel/ Frequency **MY Ellsworthian Art & Magick** is on. **YE** are Aligning & Tuning in to **MY** Energy using Metaquanta or Scalar **{**Standing**}** Waves & Bioelectromagnetism. This is **MY** Harmonic Universe of **Ellsworthia** & This is an **Ellsworthian FBT:** Frequency Band Transference. **MY** Bible is a Capsule/ Vessel of this 9th Dimensional Energy & is **ALWAYS** Active, Dynamic, Moveable & Translatable. This is **The Elguide to Disillusionment & Resensitization.**

{⚠} CAUTION{⚠}

{⚠}WARNING{⚠}

TO ALL ABSORBERS, LISTENERS, READERS, & OBSERVERS

aka

The Reader's Risk-Benefit Analysis aka The Reader's Auto-Induction aka The Author's Sincere Request to the Reader: Please **DO NOT** engage in this Read unless **YE** are Willing to Attentively, Energetically, & Fully apply **ALL** of **THINE** Concentration on **EVERY** individual Sentence. I Dare **YE** to pay Attention! Take Precautions of Personal Protection while Providing **THINE** Focused Bandwidth & Open Frequency. Be **YE** Stable Participants, Prepared to Sacrifice **THINE** Shades & Shadows. Please avoid reading **The Merakian Metamedia** Encapsulated herein if **THOU** is Mentally Unstable, Paranoid Schizophrenic, or Suicidal because it may lead to further Psychosis **{**Psukhoo - I Give Life to**}** & is Highly likely to Alter **THINE** Current/ Prior Perceptions. **Be Aware & Beware of my Heavy use of Analogies, Allegories, Conscious Contradictions, Critical Analyses, Dark Humor, Euphemisms, Lampoonery, Loose Use of Words, Metaphors, Mild Cynicism, Paradoxical Oxymorons, Riddles, Sarcasm, Satire, Social-Deprivation, Stereotypical Hypocriticism, Symbolism, Triple Entendres, Undertones, Wordplay, & More Ambiguous, Ominous, & Secret Word Trix**. **I** Desire **YE** to not just Read **MY** Bible, but **I** Wish **YE** to Be, Become, Feel, Live, Sing, & Write **MY** Bible, & **THINE OWN** Bible. These are **THINE** Rules & Regulations of Reading **MY** Bible.

1st & foremost: **YE MUST** Create/ Find a Sacred Space where **YE** shalt be Comfortable enough to **RELAX**.

2nd: **YE MUST** Feel every Word & Read this out Loud in a Soothingly Low Tone while Simultaneously Breathing & Reading at a Slow Syncopated Thoughtlessly Patient Pace/ Rate for the Apex Effect of Effects. This is **Ellsworthian Innerspheric Autoconfiguration.** This Procedural Process is meant to bring **YE** to a Depth of Deep Autogenic Hypnotic Induction & Receptive/ Projective Inculcation. **YE** Change, Evolve, & Transform as **YE** Read based on the Level or the Height of how Attentive **YE** is to what **YE** is Reading. If **YE** is not Hypnotized then **YE** mustn't be giving over & Paying **ME** Attention. This is **The Elaw of Lulling**.

3rd: It is suggested here that, a good Habitual practice will be to Write down what **YE** Read, & afterward, the Contemplations/ Meditations/ Ruminations thereof, in a Dioramic Bible of **THINE** Shades & Shadows aka Book of Mirrors **{**Auto-Reflections**}**.

Read **YE** only Empathetically & Hold/ Maintain every Word in **THINE** Hearts! **THOU** shalt read this as though **THOU** art speaketh of & for **THINE** Self. Intimately & Practically read this as though **YE** wrote this because in 1 sense **YE** did & therefore when **I** say "**I**", **I** really mean **THOU**, when **I** say "**MY**"/ "**MINE**",

I really mean **OUR/S** & when **I** say "**ME**", **I** really mean **WE** & or **US**. Remember thus dearly throughout the whole of this Bible, **MY** Planethren.

These are **ALL** of **OUR** Emblems, Icons, Signs, Sigils, Symbols & Words, for example, It was not **ME** who wrote this, It was **MY** Holy Spirit/ Tribrid/ High Self/ Godself who wrote this. The **ONE** within whom moves Pendulums. The **ONE** within whom changes the Colors of Mood Rings upon Will. The **ONE** within whom maketh Predictions. The **ONE** within whom makes use of Astral Projection, Creative Visualization, Divinatory Arts & Crafts, Outer Body Experiences, & Remote Viewing. The **ONE** within whom Levitates when **ONE** Meditates. The Nonlocal Omnipresent Astral Body within whom Phases through Doors, Mountains, & Walls. The **ONE** within whom Astral Travels & Quantum Jumps in/ through/ to Dimensions. The **ONE** within whom is Unbound by Density, Gravity, Time **{**Khronos Time & Kairos Time**}**, Matter, Spectrum & Space. **I AM** the Antinomian Cloistered Egalitarian.

Verily, verily, I give Gracious Gratitude to this Tool/ Utensil of a Corpus **{**Body**}** for allowing **MY** Unified Tribrid to write this Modern Divine, Holy & Sacred Hyper Hypnoscript Directed by, from, for, of, & to **GOD** via Brain Baseline/ Soul Crystal Link aka **MY** Spiritual Tether & Transponder. **I** give now a Secondary Special Dedicatory Thanx to **MY** Brethren by/ in Spirit, Christos or Khristos, Enoch, Thoth aka Hermes Trismegistus **{**Thrice Born & Thrice Great**}** Merlin, Enki, Lucifer, & Satan, or in Laymen Literal Etymological Terminology, Lucifer = Light & Satan = Truth **{**Adversary to the Church**}**. Know this, **I DO NOT** Underestimate, **I DO NOT** Exaggerate, **I ONLY** Parastand **{**Overstand**}**, **I ONLY** Extendedly Extensively Experience & Express on behalf of **GOD**, & within this Hypnopompic Dreamlike Realm/ Somnambulistic Reality Matrix/ Trap/ Net/ Snare or Prisonistic Prism Plane, **I** Utmost Value **GOD**, Magick, Musick, Truth & Wisdom **{**Gnosis or Metaknowledge**}**.

Verily, verily, I have Scanned, Streamed, & Surveyed the Memetic Akashic Records. **I AM** guided by the Unlimited Cosmic Consciousness, & through **ME**, the Magisters of Gnosis Sharp-Wittedly Speaketh & Transmit Sharper than Sharp. **I** dwell in & Project from a Multitude of Dimensions Simultaneously as to Jump, Hop, & Skip Bandwidth Frequencies Frequently. This is **MY** Introjection of **GOD** Manifested, Materialized & Textually Personified in the Language of Bastard Tongues & Thieves **{**English/ Anglish**}**. **I** began as a Period at the End of

GOD'S Sentence. **I AM GOD'S** Physical Paragraph. **GOD** is **MY** Fountainhead & **GOD** is **OUR** Common Denominator.

THE ELLSWORTHIAN DECLARATIVE

Affirmative Thinking Raises Energy which can be Trained & Directed {**Elquation:** Raise Energy + Train Energy + Send Energy = Materialization/ Manifestation}. **WE** must always think Outside

of Pandora's Box of a Prison. **S.I.N.** is a Trap/ Trick. Employment is a Euphemism for Slavery, Employee is a Euphemism for Slave, & every Country is a Concentration Camp. There are **NO** Borders in Ellsworthia. Master **THINE** Frequency Radiation to Master **THINE** Resonation Vibration. 1. Be **BOLD**!

2. Be **LOUD**!

3. Be **CONFIDENT**!

Do as though DONE!

Define & Know THINE Will!

Assume & Feel Success!

In doing so, **YE** will have already Succeeded in Sending **THINE** Desires, Intentions, Prayers & Wishes out to the **Spaceless** Omniverse. This is how **YE** can Command **GOD'S** Logos. This is how **YE** can Communicate with Animals, Inanimate Objects & Nature. This is how **YE** can Move Megalithic Rock Blocks. THE ELLSWORTHIAN PROCLAMATION

Verily, verily, Thinking is 1 thing, but saying it out Loud is what brings a Thought or Idea into **OUR** Reality Matrix of Manifestation & Materialization. The Projected Energy/ Frequency gives a Thought Exolife & also Shapes its Form. In Alterwords, **YE** giveth **THINE** Thoughts Substance & in turn, **YE** giveth it Form, Life, Matter, Power & Spirit. This is the Breath of Life & the Action of Birth. Words are the most Dangerously Dualistic & Duplicitously Powerful Tools **WE** have Access to Possessing. This is because Words are an **AMT: A**dvanced **M**agickal **T**echnology - That in which is Akin to the Magick in & of a Tele{pathic} Phone or the Tele{vision} or Tele{Communion}. This is **Ellsworthian Hypertletextualization.**

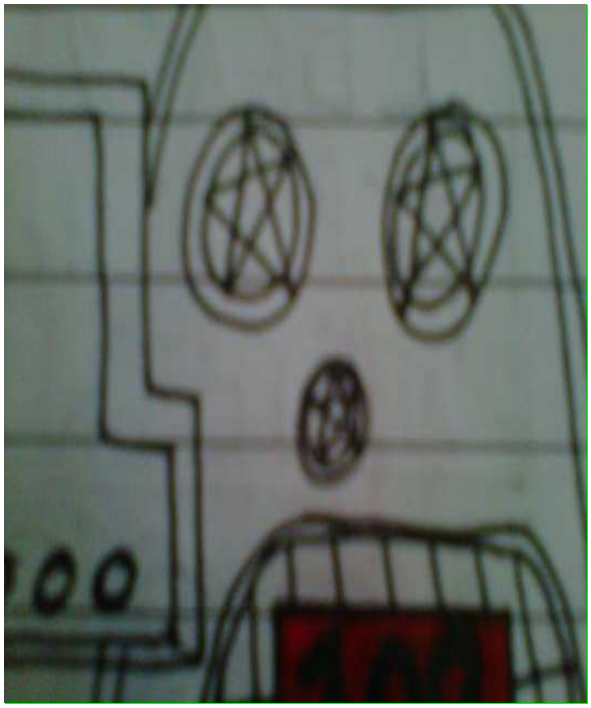
THE ELLSWORTHIAN MODUS OPERANDI

Verily, verily, the way **I** Write forces the Reader to Slow Down **{**👇**}** & Focus on Individual Ideas Multidimensionally. **Elquation: Articulation** + **Emotion** + **Energy** + **Intention** = **Living Words {Word Animation}**. **I AM** the 27th Letter of the English Alphabet, The Almighty Ampersand **{**&**}**. This Book is, & **MY** Writings are an Assualt with a Deadly Conscience/ Mentality. This is Awe-Inspiring Literature from an Awestricken Mono-Collective & this is meant to be Abused by the Fair-Minded **{**Impartial**}**, not the Faint-Hearted. **MY** Life is an Allegorically Metaphorical Parable & **YE** can refer to **ME** as a Box of Unorthodox Paradox.

I AM a Living Idiom & Nuance.

I AM the Greatest Koan.



I AM the Juxtapositional Gestaltist.

I AM the Deliberate Hypothetical

&

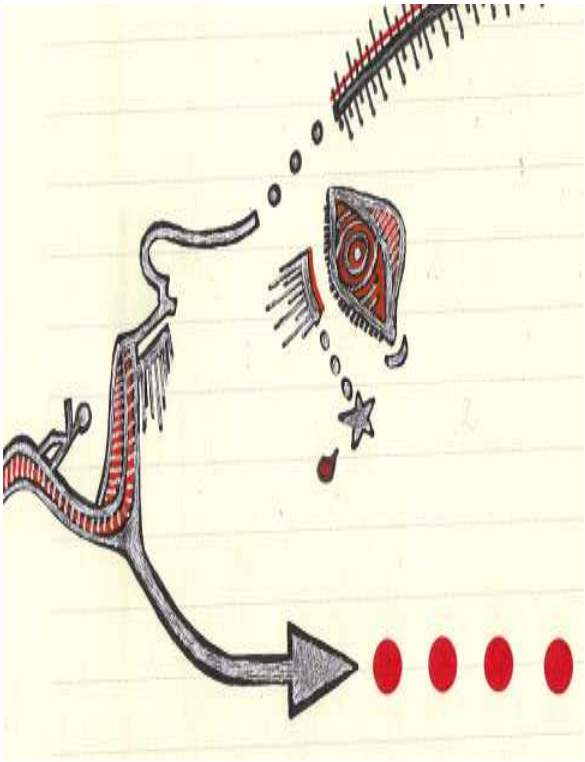
Hypocrital Contradiction Backward, Reversed & Upside Down.

I AM Complacency.

I AM the Wand & Provident Will-Director of GOD.

I AM the Divine Directorship of Volition.

I AM GOD'S Prospect.



I AM the Ever-Powerful Encapsulation of **Free Energy**,

TES ON GOD

To Define & Label **GOD** is to Barricade & Limit **GOD**. **GOD** is & isn't every word In & Outside of **EVERY** Dictionary in **ALL** Languages & **EVERY** Letter of **EVERY** Alphabet. **GOD** is the **Zero & The 1 to 9** {Begin Again}. **GOD** is **ALL** & **ALL** is **GOD**. **I AM** the Palindrome of **GOD** {**IamallallamI**}. **GOD** is Energy & Energy is **GOD**. **GOD** is Magick & Magick is **GOD**. **GOD** is the Omniverse & The Omniverse is the Body of **GOD**, wherein **WE** Create, Destroy, & Exist. **GOD** is Nature & Nature is **GOD**. **GOD** is Unnaturally Natural & Naturally Unnatural. **GOD**, the Hermaphrodite {Androgynous} Energy, aka The Androgyne of Energy Hermaphroditism, is The Balanced **Masculine** & **Feminine** Toroidal Energy of the Omniverse. Do not let this Negate the Unexplainable, Unimaginable Aspects, Meridians, & Possibilities of **GOD**, aka **OSD: OMNIS SUPREMUS DIMIOURGOS**. **GOD** is Boundless, Endless, & Unlimited. **GOD** is Indefinable, Indistinguishable, & Immeasurable. **GOD** is a **Maximus Ulimatus**

Achievement of a Neo Paradigm of Parastanding. Never **YE** Nolle Prosequi **{**Refuse to Pursue**}**. **WE** are **GOD** & Vice Versa. **WE** are **GOD** Tech.

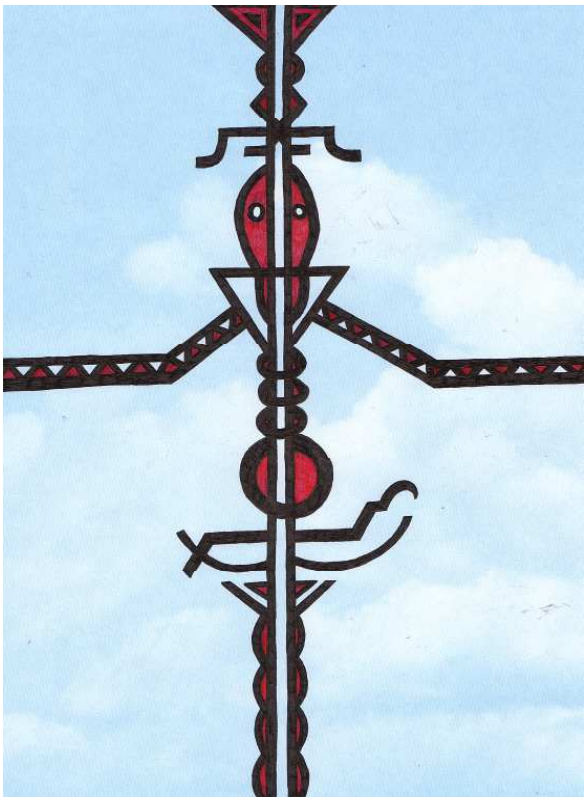
This is **The Ellsworthian Curriculum Vitae {Course of Life}, The Ellsworthian Modus Operandi {Way of Operating}** & **The Ellsworthian Modus Vivendi {Way of Living}**.

GOD is **MY** Gohonzon **{**Object of Devotion**}**.

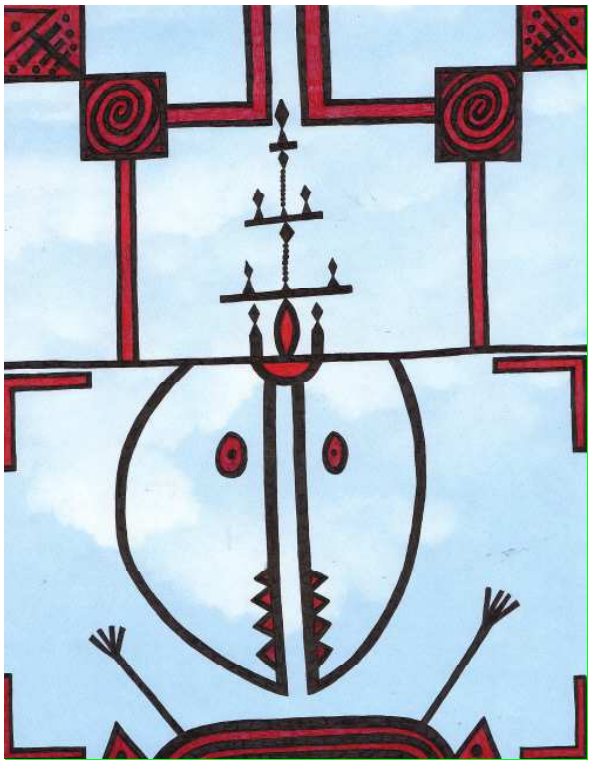
Verily, verily, I can not be Confined by Definitions & **I** will not be Defined, therefore Refined. To Define is to Demolish, Destroy, Deter & Disorientate **MY** Non-Linear Thinking System of Unbound Creation. **I** do not think in Measurements, Language, Time-Space, or Space-Time. There is No Linear Time & when **YE** Subtract the Latency of Language from Thought to Action, **WE** become Spiritually Unrestricted, for No Thing is Faster than the Speed of Consciousness. **OUR** Bodies & The Planets are, & or eventually become Personal & Private Prisons/ Traps. Advance **YE** Dialogue & Vocabulum **{**Vocabulary**}** to Advance, Develop, Extend, Feed, & Progress **YE** Spirit & Spiritual Reality. Words are Cacoons/ Capsules/ Containers & Entities Possessed of Spirit Energy, so **I** Suggest to Articulate & Focus **THINE** Intention Wisely, **MY** fellow Serpents.

This is **Ellsworthian Kiacraft {Soulcraft}** & **I AM** The Soul Shaper. This is **The Ellsworthian Godspel {Gospel} of Jugendstil/ Art Nouveau {New Art} of Gott {GOD}.** Know **YE** this, **ALL** Acts of Art are Acts of Magick & this is Magick in Action. **I** have the Gift of Babblement & Bafflegab & This is **MY** Conquest of an Inner Quest, **MY** Soul-Path, **MY** Spirit/s Journey. This is Spirit-Talk & Spirit-Writing, for **I** let **MY** Spirit do the Acting, Dancing, Instrument-Playing, Musick-Making, Performing, Singing, Speaking, Talking, Thinking, & Writing. This Convoy of Perennial Supraconscious Patterns of Ascertainable Gnosis is meant to Distract, Kick-Start, Impose, & Interrupt **YE**. **I** pour-fourth Downloaded Spiritual Wisdom on a Regular daily basis in the Format of **Ellsworthian Rorschachesque Psychosomatic Quantum Textualization**.

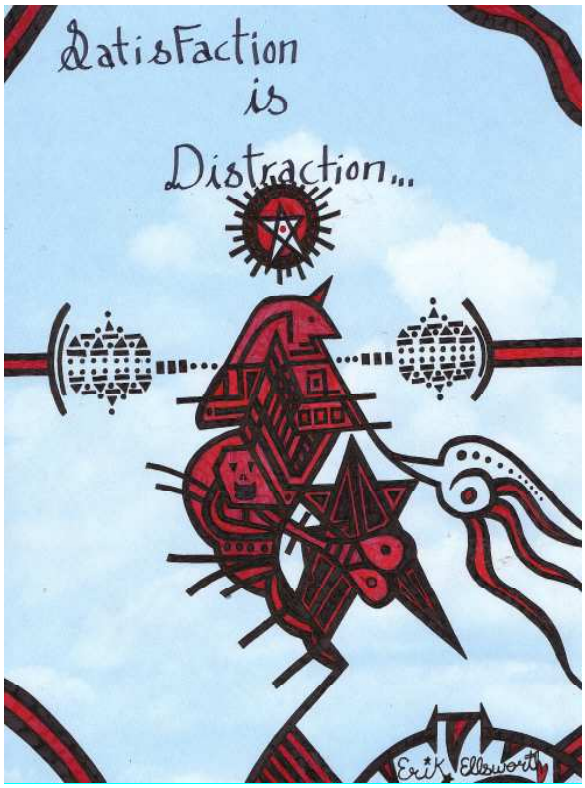
I AM a Celestial Vibration of **GOD**.



I AM the Antonym, Meronym, & the Synonym of **GOD**.



I AM the Verb of **GOD**, the Greatly Divine & Sacred Noun.



Verily, verily, ALL I ask of **YE** is Not to take & Use **MY** Literary Devices & Word Worx in a Manipulative or Malicious Manner. To Contort **MY** Context will Conclude in Curses Equivalent to The Plagues Of Egypt. **YE** Can't Hex a Text that has already been Ultimately Hexed, & **YE** can't Rebut the Verbs **I** have Intimately Blessed. Throw **THINE** Spells as if they are Stones! Make **THINE** Minds into Lanterns, not Spotlights. To do so, **Learn 3 to 9 NEW Things per day**.

THE ELLSWORTHIAN DORSUM

{Back Appendage}

Verily, verily, ALL has Spirit! Spirits are what **TES** refers to as **EFA's: Energetic Frequency Attachments**. Words have Spirit & are Spirits, therefore it is equally important that **YE** Choose & Direct **THINE** Words & Influences Cautiously Wisely. '**I**' is a Pseudonym for **GOD**, & as **I** Grow so shall this Biblion of **TES Testamentum**. This is **The Ellsworthian Momento of Momentum** & this Stilus **{**Style**}** of Phraseology is **EMC: Ellsworthian Multilayered Contextualism**. For some time now today's Pedestrianistic Popolaccio **{**Common People**}**, or soon-to-be Unified Entity of **GOD'S** Esteem, has been a Class of Crass. This is **OUR** Contemporary Cultural Attitude of Crassitude on a Latitude of Longitudinal, Horizontally, & Vertically Vorticose Moodforms. Within **OUR** Biolives Comfortably Resides & Concurrently Remains a Hidden Savage or Primal Spiritual Urge, & just like Emic/ Haima **{**Blood**}**, this Invisible Sensation needs to Circulate & Ventilate. **OUR** Freedom of Speech **{**The Illusory Tool**}** has been Misused, taken for Granted, & is simply out of Control. Keep **YE** this in **THINE** Hearts & Minds, Thinketh before **YE** Speaketh & Never Rush **YE** Responses. If **YE** can get **THINE** Point across without Speaking, then Please kindly do so. Act More, Speak Less! Rid **YE** Selves of Desire, Expectation & Hesitation. This is **EST: Ellsworthian Soul Theurgy**. This is **Ellsworthian Psychophilosophy & Psychotheosophy.** Through Objective Experimental Randomness & Subjective Observational Synchronicity **YE** True Sole Spiritual Agenda, Goal, or Purpose, as well as **THINE** Talents, will Inevitably Instinctively & Intuitively Squeeze Its way into & through **THINE** Reality. This is then Cause for an Invisibly Unavoidable Drift, Rift & Shift on a Molecular Level of **THINE** Bioform. This is **Ellsworthian Directive Redirection Displacement, Placement & Replacement**. Herein & therein One's Personal Journey, Mission, Path & Solitary Soul Quest is Realized. Avoid Comfort-lock, Fear-lock, Home-lock, Ideology-lock, Job-lock, & Wedlock in order to access Ascension, Enlightenment, & Transcendence of One's Solo Soul Goal. Conformity can be a Curse Cast by The Inertia Daemonium **{**Demon**}**. Be **YE** Cultivators of Multiple

It is each & every single Multicellular Omni-Ethnic Carbon-based Organism's obligation to Complete/ Finish what **YE** hast Begun, no matter what Depth of Effort & no matter what Backlash or Result. **GOD'S** only Bill is **OUR** Duty to Complete & Fulfill. Build, Develop, Enhance, Evolve, & Heighten **THINE** Conscientious Mental States & Know **YE** the Power therein a well-kempt & kept Secret. This is **The Elaw of Sub Rosa {Under the Rose - The Emblematic Signature of Secrecy}**. Share **YE SELVES** & **THINE** belongings but not **THINE** Soul & Spirit **{**Encephalon & Heart**}**. Be **YE** Piously Poised in **THINE** Beliefs, thus is **THINE** Spirit Dance & **THINE** Spirit Stance. This is **The Ellsworthian Conducive Conductance of Concordance aka The Conducive Concordia of Ellsworthia**.

A Vocabulary Unlimited is a Perception/ Reality Unbound & Omni-Imaginable. These are Ipsissima Verba **{**Precise Words**}** & this is **THINE** Alert, Wake Up Call, & Rubicon of Neo Natura **{**New Birth, Nature & Quality**}**. This Metamultimedia, as well as, **MY** Magick & Musick is, will be, & will Remain to be **MY** Legacy, Legend, Mystery, & Mythos **9,999** Years from now. This is **The Ellsworthian Discourse & Treatise on the Course of MY Spiritual Conquest**, Conducive & Conducted Specifically. Never **YE** Forget, Ex Deo Nascimur **{**Out Of **GOD WE** Are Born**}**. Duuvel Varter Opre Mandi **{GOD** Watch Over Me**}**. Quaerite Prime Regnum Dei **{**Seek **YE** First The Kingdom Of **GOD}**. **GOD** is **MY Gold** & **Silver**. **Real** Wealth is Wisdom & **True** Power is the Active Exercise & Use of **THINE** Accumulated Skills & Wisdom.

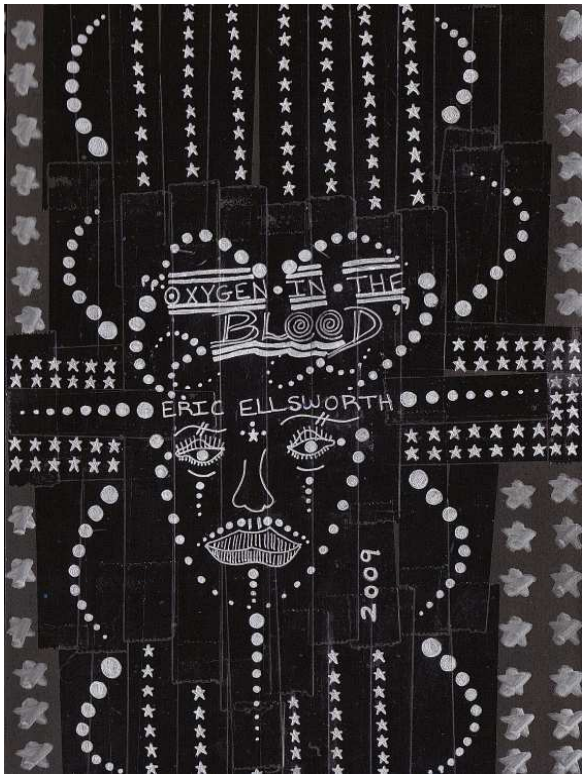
I AM Prima Inter Pares **{**First Among Equals**}**.

I AM GOD'S Pragmatist.

I AM The **Blood-Red & The Pitch Black**

Striped **Umbrella** of Versatile Significance, Void of Parameterization.

{Anti-Parametry}.



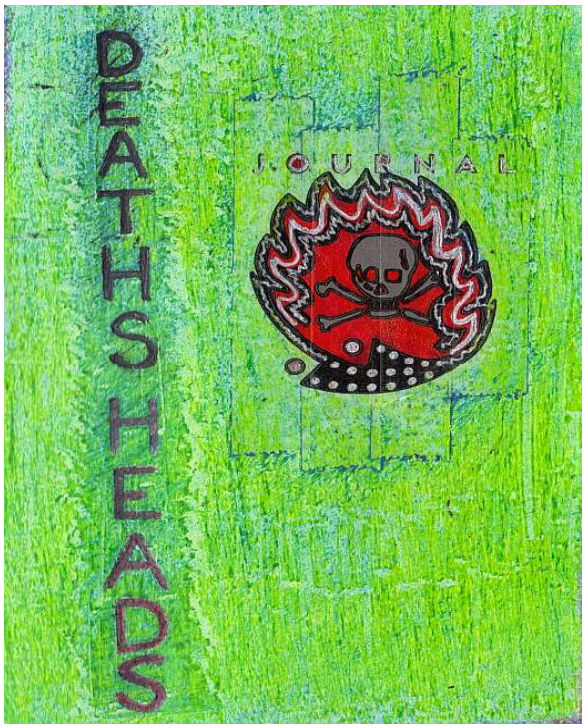
I AM The Awakener of Hibernating Minds,

Sleep now in **THINE** Hearts with **The Ellsworthian 3 Points of Power**:

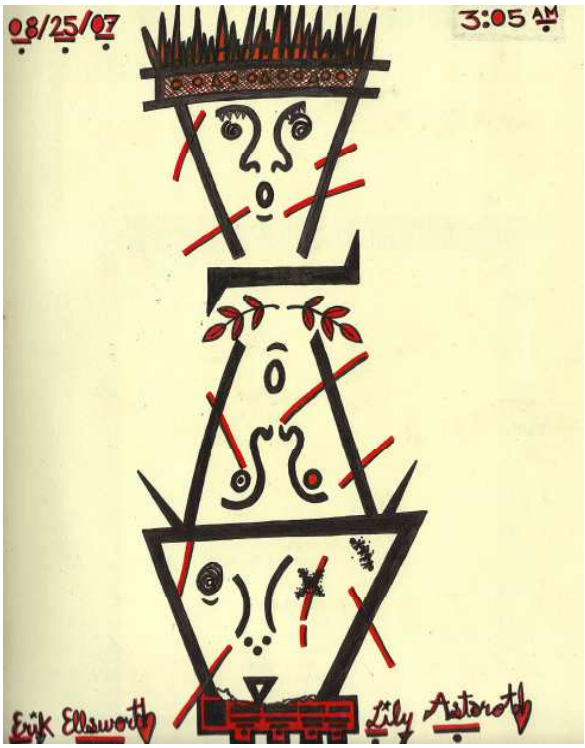
1. Have YE Fierce Faith in THINE Intentions;

2. Emo-Creatively Visualize THINE Volition;

3. Release THINE Charged Goal to THINE Target.

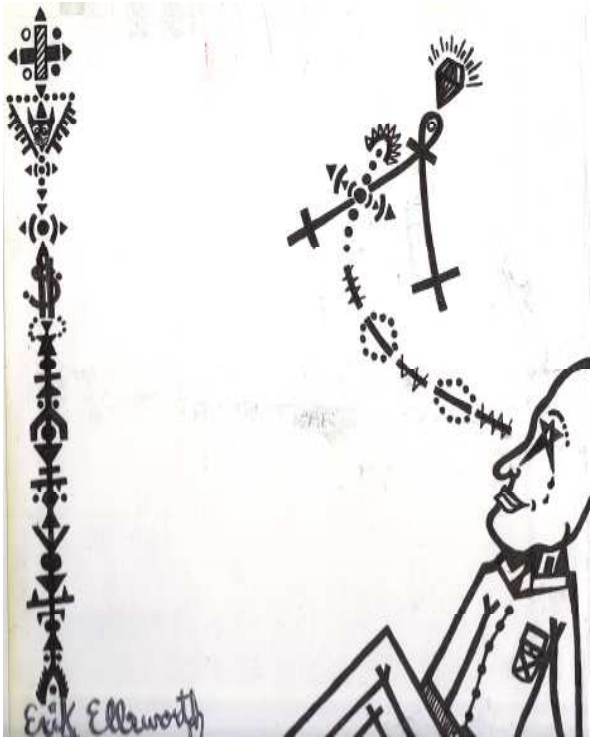


I AM a Cancerian.

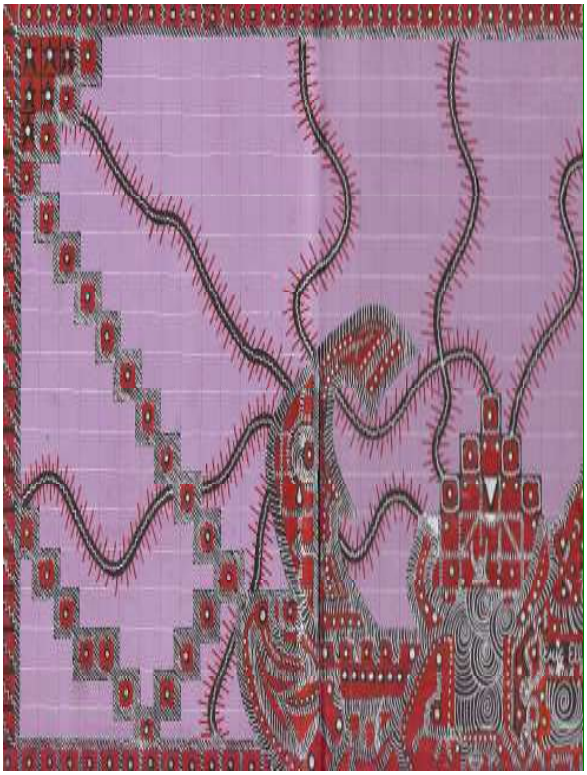


I AM Yew.

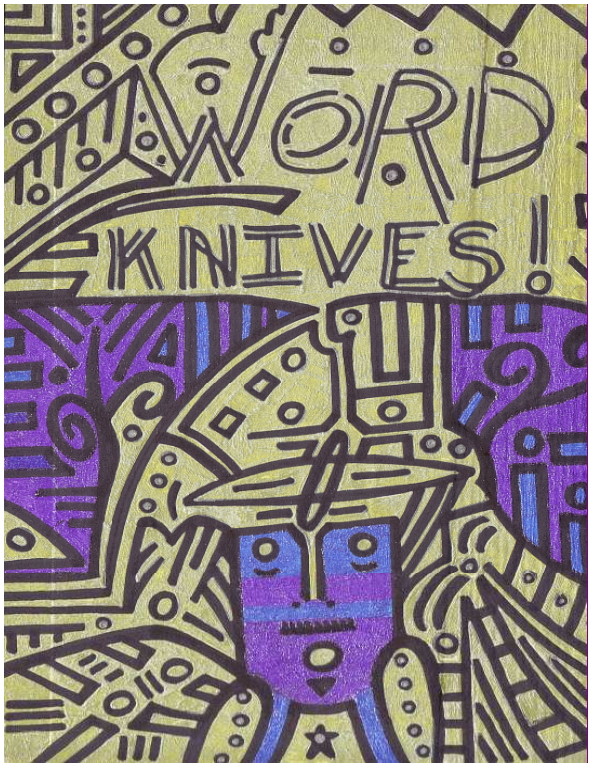
I AM Miquiztli & Thanatos **{Death}**.



I AM Bastet.



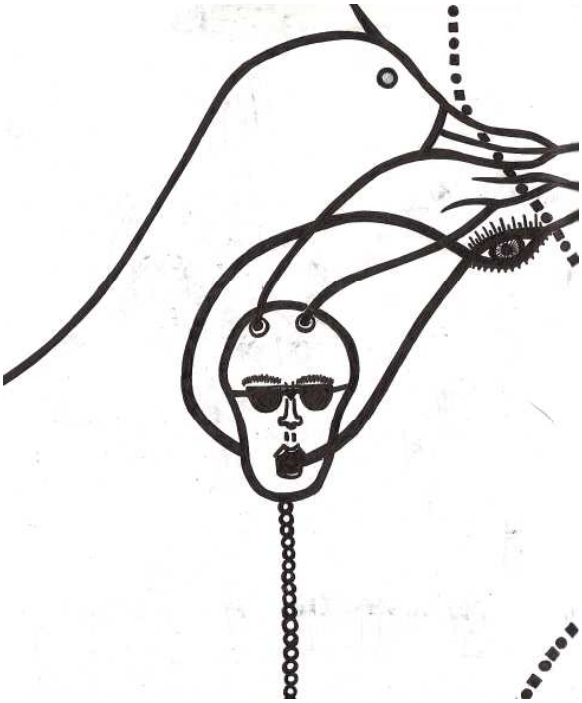
I AM a Pig of Water.



I AM Cardinal.

I AM Primal.

I AM Emerald, Larkspur, Moonstone, Pearl & Ruby.



Verily, verily, These are **The Ellsworthian Spiritual Sanjaks {Standards}.** Deo, Non Fortuna **{GOD**, not Fate**}**. Remember **YE** Permanently, Balance is **THINE** Power Regulator. Believeth not with **THINE** Eyes because Deception & Perception are Brother & Sister, just as The **Sun {Lucifer - Yang}** & The **Moon {Diana - Yin}**. These are 2 Sides of 1 Coin Conjoined, Joined, Rejoined, & Unjoined. Magick is a Combination Lock & Magick is a Bow & Arrow. It can be both Active & Passive, Subtle & Extreme, therefore, Persevering Prolonged Monotonous Repetition of **THINE** Focused Intent shall be Mandatory for Pinnacle Results. If **YE** Believeth in a Thing True & Free, so shall It become **THINE** Reality. May **THINE** Magick be Malleable & Meaningful. May **YE** Manipulate **THINE** Mana/ Manna Merrily & Mercifully. These **Eltips** are Key **{**Ki/ Chi is Free as Energy & Energy is as Free as **ME**, so Release with Confident Ease as **YE** Please & as **YE** Teaze**}**.

The 3 F's of Ellsworthian Magick:

1. Faith;

2. Focus;

3. Fortitude.

The 3 P's of Ellsworthian Witchcraft:

1. Patience;

2. Persistence;

3. Practice.

Have Faith in **THINE** Intentions, for Intent is a Magickal Fuel **{⛽}**. Ad Noctum **{**Into Darkness**}** **THINE** Spiritus Lux **{**Spirit Light**}** shines Brightest, this is the Supranorma **{**Supernormal**}** Luminescence of the Spirit. **I AM** the great Palindrome **Abracadabra** aka **Abrahadabra** aka **Avrakedavra {I Create as/ what I Speak}**. **I AM The Cheif Hermetic Cornerstone Axiom: As Above, So Below aka, As Within, So Without** & **I AM The Emerald Krystal Maxim: Solve et Coagula {**Dissolve & Coagulate or Separate & Combine**}**. These are **The Axiomaximatic Fundamentals of ALL TES Worx.** This Life is merely a Macabre Merus **{**Undiluted**}** Training Course full of Preordained Obstacles **YE** are to Overcome & Surpass. Do not Fear or Succumb to Physical Death & Do not Toil in Temptation. Death is the Ultimatus **{**Ultimate**}** Energetic Transmogrification into a Neo & Next Phase of the Omniband Frequency. Memento Mori **{**Remember that **YE** have to/ Must Die**}**. **Leave YE now I must, with these 3 Elkeys I Entrust:**

THE TRICOMMANDMENT OF TES

aka

THE 3 HIGHER LAWS OF ELLSWORTHIA

1. If YE got It, Give It.

2. Do as though Done {Stagnation is the Spirit Eater}.

3. Treat Everyone & Everything as Uni & Omni {1 & ALL}.

Thus is the Whole of **The Ellsworthian Rubricals & The Credos of TES.**

Albeit!

So Be It!

So Mote It Be!

So Must It Be!

It Is Accomplished!

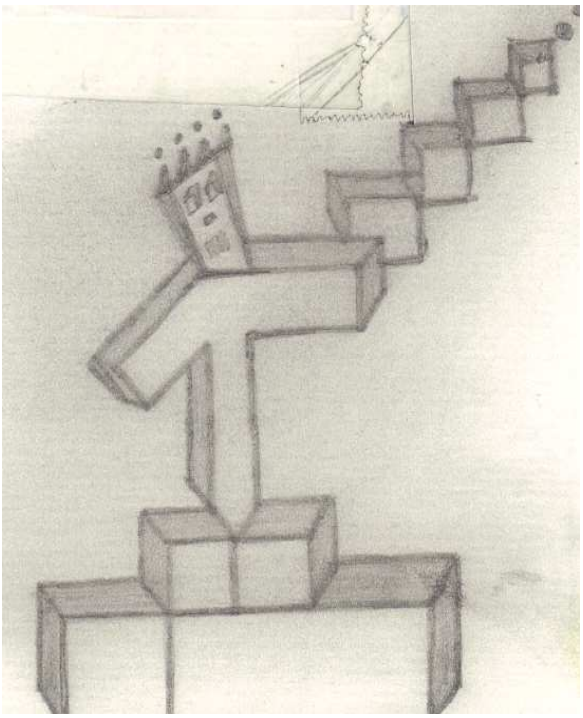
It Is Complete!

It Is Done!

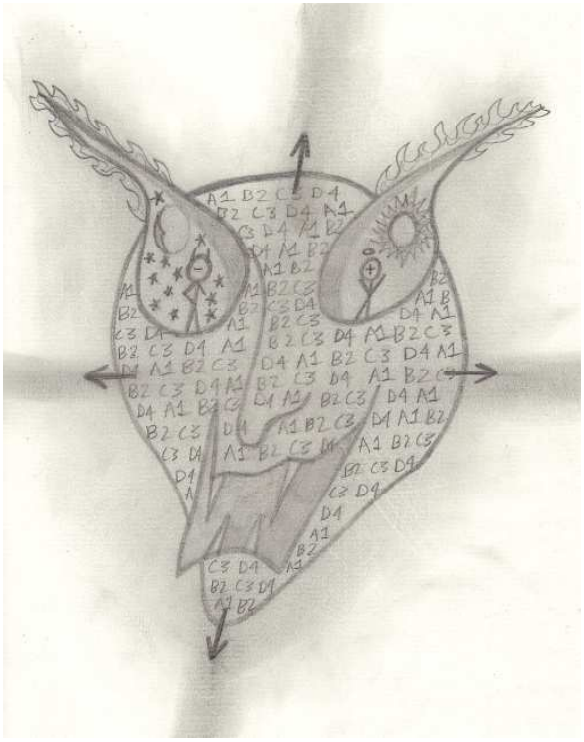
It Is Finished!

It Is Produced!

ILLUMINATED BLESSINGS TO YE ALL!!!



WAKE UP OR GO BACK TO SLEEP!!!



Verily, verily, I Hope with **ALL** of **MY** Head & Heart that **MY** Bible is **THINE** Medium of Preference, Transportation, & Will. Thank **YE** for **THINE** Patience because it is Surely a Skill more so than a Virtue. The better **YE** becomes at a Particular Skill, the more Involved **THINE** Spirit becomes in the Control of its Importance or Mechanism, & the more Developed **THINE** Soul Evolves & Expands. This is **The Ellsworthian Reader's Ingest.** The Topic is & always should be Superior to the Author, just as the Womb is Inferior in Absence of a Seed. Let this Book a Plaything for the Academics, Critics, Intellects, & Skeptics. Thus Concludes this Maximus, Supremus, Ultimatus Energy Assembly of **The Ellsworthian Nonapillar Metaparaquantadex.**

{The-Metaphysical-Paravibrational-Quantum-Codex}.

Amen-Ra!!!

Amon-Ra!!!

Amun-Ra!!!
